PROFESSIONAL EXPERIENCE

APR 20 - TODAY — Researcher at REDE DE POLÍTICAS PÚBLICAS & SOCIEDADE
Center of research dedicated to the study of the social-economic implications of the Covid-19 pandemic, along the policy responses of the Brazilian government. Main responsibilities are to investigate the redistributive consequences of the pandemic, and the social policies being implemented to tackle unemployment, poverty, and inequality.

JUL 2018 - TODAY — Researcher at CENTRO DE ESTUDOS DA METRÓPOLE (CEM)
Center of research, innovation and diffusion of the Foundation for Research Support for the State of São Paulo (FAPESP), headquartered at the University of São Paulo (USP) and the Brazilian Center for Analysis and Planning (CEBRAP). Main responsibilities are: to elaborate studies and research papers aimed to analyze Brazil's tax system, and tax policy in general.

APR 2016 - AUG 2017 — Quantitative Researcher at MOVE SOCIAL
Social investment evaluation company, where the main responsibilities were: use of statistical packages and techniques to manipulate and investigate primary and secondary data; sampling; leading role in the application and oversight of surveys.

SEP 2014 - MAR 2016 — Leader Researcher at FUNDAÇÃO GETULIO VARGAS
Researcher responsible for the Digital Democracy project. Main responsibilities were: main interviewer in semi-structured interviews, choosing of project's main methodology and theoretical guidelines, and oversight of the project's website.

AUG 2013 - MAR 2014 — Jr Analyst of Content at INSTITUTO DEMOCRACIA E SUSTENTABILIDADE
Member of the executive team at the institute. Part of the team responsible for the agenda "Brasil Democrático e Sustentável", directly involved at the foreign and domestic policy chapters, also worked in the organization of events.

APR 2011 - DEC 2011 — Intern in Sustainable Development at SANTANDER BANK
Compliance and internal auditing of the Bank's social and environmental policies, answering the Corporate Sustainability Index, in São Paulo's Stock Exchange.

Techincal Reports

Difficulties in application and the non-usage of current social safety net limit access to emergency benefit. *Rede de Políticas Públicas Sociedade*. With multiple authors, 2020

Emergency benefit providing R$ 600 needs to continue and could be funded by emergency contribution on high incomes. *Rede de Políticas Públicas Sociedade*. With multiple authors, 2020

Dramatic unemployment remains hidden in official indicators. Without the emergency income of R$ 600, poverty would reach 30% of the population. *Rede de Políticas Públicas Sociedade*. With multiple authors, 2020

Lacking a strategy, the Federal Government foments the country's fragmentation and fails to coordinate the fight against COVID-19. The demobilization of the Ministry of Health, alongside disorganized testing and social distancing policies, dramatically exposes the Government's failure for tackling the pandemic and Brazil's tragic lead in the number of new deaths-per-million inhabitants, overtaking the United States. *Rede de Políticas Públicas Sociedade*. With multiple authors, 2020

Sem diretrizes para o ensino remoto e a volta às aulas, governo Federal repete na educação a tragédia da saúde. Milhões de crianças ficaram em casa sem atividades escolares e os mais pobres perderam até 50 dias letivos de aula. *Rede de Políticas Públicas Sociedade*. With multiple authors, 2020
